

Electric car charging station h766_04

Electric car charging station with 2 Type 2 single-phase sockets max. 32A (7 kW) + single-phase max. 32A (7 kW). Material: painted sheet steel.

Painted sheet steel charging station for electric vehicle charging with **2 Type 2 single-phase sockets max. 32A (7 kW) + single-phase max. 32A (7 kW)**. Equipped with **interlocking and one-hand shutter**. A **Type B RCD** is present on each socket. **MID energy meter included** and **LED visual interface**. It is possible to **customize the front plexiglass graphics as desired**. **Ground fixing** provided. Product entirely **Made In Italy** and **compliant with current regulations**.

Technical features:

- Compact dimensions: W. 350 x D. 280 x H. 1300 mm
- Fixing: to the ground
- Weight: approx. 40 kg
- Material: sheet steel
- 2 Type 2 Mennekes single-phase sockets with interlocking and one-hand shutter

- Basic version single-phase max. 32A (7 kW) + single-phase max. 32A (7 kW)
- Mode 3 charging with pwm pilot circuit
- Overcurrent, short circuit and Type B residual current protection
- Type B RCD on each socket
- MID certified energy measurement with power, current measurement and internal displays for global consumption
- Control system with detection of correct cable insertion, charging status signaling, availability signaling for each individual socket
- Automatic charging restoration following power interruption
- Frequency: 50-60 Hz
- Protection degree: IP44
- Operating temperature: -25 °C + 40 °C
- 1 front plexiglass panel with E-CORNER screen printing (customizable upon request)
- 1 backlit 2x16 line LCD display
- 2 multi-color LEDs for socket status signaling
- USB port (internal)
- Charging cables not included
- Compliant with current regulations
- Made in Italy

** It is possible to customize the graphics of the front plexiglass panel and the color of the charging station as desired.*

** Upon request and subject to a quote, it is possible to install the payment service for electric vehicle charging.*

** Images are purely indicative.*
