

Electric medical examination table h13_80

Medical examination couch with electric height adjustment. Color: Blue.

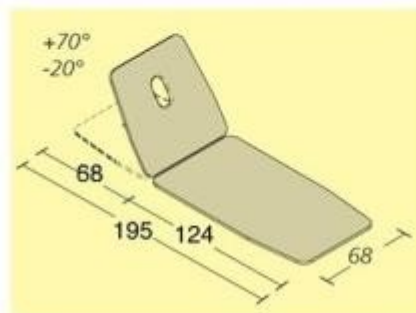

Examination and therapy table with high stability, equipped with **electric height adjustment** via **foot control (low voltage 24 V)**. Features: one mobile section, headrest adjustment system assisted by a gas spring (with nose-mouth hole), and fixed leg section. The wide headrest can be adjusted positively and negatively and also functions as a backrest. High-density foam padding covered with high-quality vinyl with flame-retardant properties. Accessibility is enhanced thanks to the laterally open frame allowing access with patient lifting systems or electromedical therapy carts.

Technical features:
