

Elegant bench for urban furniture h677_18

Urban furniture bench with an elegant design in concrete. Dimensions: L.2200 x D.540 x H.420 mm.

The bench for public spaces represents a refined and elegant product, ideal for furnishing busy city areas, such as historic centers, public squares, and promenades. **The bench features a linear structure in high-resistance fiber-reinforced concrete and natural mosaic**, available in various color combinations. The surface of the urban furniture bench is polished and further treated with a lacquered coating, which makes the product even more resistant to aggressive weather conditions.

Technical features:

- Material: concrete
- Surface treated with lacquered coating
- Dimensions: L.220 x D.54 x H.42 cm
- Available in different finishes
- Weight: 360 kg

**The goods unloading service is not included in the supply. Upon customer request and subject to a quote, it is possible to request a valuation.*
