

Energy-saving hotel minibar 33 liters h3452

33-liter minibar with mirrored glass door and new generation compressor. Class E, Made in Italy, natural gas and surprising quietness. W39xD44.5xH54 cm.

The **Energy-saving hotel minibar 33 liters h3452** represents the perfect synthesis between avant-garde design and sustainable technology **Made in Italy**. This minibar stands out in the hospitality landscape for its **mirrored glass door**, a refined aesthetic detail that transforms a technical unit into a prestigious piece of furniture. The heart of the device is a **latest generation compressor** which, working in synergy with an innovative **natural refrigerant gas**, allows it to reach **Energy Class E**. In addition to guaranteeing surprising operating economies, the h3452 model ensures unprecedented acoustic comfort: its quietness is such that it is barely perceptible even from a meter away, definitively solving the noise problem in hotel rooms.
