

Energy-saving hotel minibar 40 liters h3441

40 lt minibar with mirrored glass and new generation compressor. Class E, Made in Italy, natural gas and silent system. W39xD48.5xH54 cm.

The **Energy-saving hotel minibar 40 liters h3441** represents the latest frontier of technological innovation applied to hospitality. This **Made in Italy** minibar combines an attractive aesthetic, dominated by the door with **mirrored glass**, with extraordinary ecological performance. Thanks to the new generation compressor refrigeration system and the use of a **natural origin refrigerant gas**, the device reaches **Energy Class E**, reducing emissions into the atmosphere by over 430 times compared to standard models. Designed for facilities that focus on sustainability and design, the h3441 model solves the noise problem typical of traditional compressors, ensuring excellent silence and a high speed of temperature reduction, all enhanced by an innovative boosted LED lighting system.

Technical features

- **Production:** Made in Italy
- **Capacity:** 40 l
- **Energy class:** E
- **Refrigeration system:** new low-consumption compressor with natural gas
- **Aesthetics:** mirrored glass door
- **Safety:** door opening indicator with acoustic signal
- **Lighting:** enhanced LED system
- **Versatility:** reversible door with magnetic closure
- **Maintenance:** automatic defrost
- **Equipment:** motor cover included
- **Control:** precision mechanical thermostat
- **Height:** 54 cm
- **Width:** 39 cm
- **Depth:** 48.5 cm
- **Warranty:** 2 years
