

Equippable C-frame desk height 82 cm h908_210

Steel and laminate computer classroom table 160x80 cm. Ergonomic C-structure size 7, ideal for professional PC workstations and schools.

The **H908_210 computer classroom table**, classified in size 7, is a technical solution designed to set up educational laboratories and training centers with large and stable workstations. The supporting structure guarantees **mechanical resistance and stability**, essential elements for supporting heavy computer hardware in high-traffic contexts. The functional design promotes operational ergonomics, allowing prolonged use without user fatigue.

Technical features

- **Type:** Single-seater computer classroom table
- **Structure:** C-shaped legs made of Ø 40 mm steel tube
- **Frame finish:** Aluminium color painting
- **Worktop:** Ivory color surface
- **Dimensions:** W 160 x D 80 x H 82 cm
