

## Ergonomic fast food tray h30321

Gastronorm 1/1 ergonomic trays, ideal for self-service catering businesses. Scratch-resistant and stain-resistant. Dimensions: 530x 325 mm. Pack of 20 pcs.

Perfect tray for **serving food and drinks** inside fast food outlets, snack bars, canteens, bistros or catering services.

The product is **practical** to use and handle thanks to the **ergonomic handle**.

It is possible to stack the trays on top of each other, thus being able to **optimize available spaces**.

The tray is made of **polypropylene** certified for **food use** and to come into contact with food.

The product is therefore **safe** and **heat-resistant** as well as resistant to thermal shocks (-10°+ 85°C).

The **rectangular** shaped tray with **reinforced rounded corners**, enjoys greater **impact resistance**.

The product is **stain-resistant** and **scratch-resistant**, resulting in being **durable over time**.

Once used, the product is **easy to clean** and is suitable for use in **professional dishwashers**.

The pack consists of 20 trays with external dimensions: **530 x 325 mm**.
