

Executive faux leather armchair h449_133

Swivel executive seat with adjustable height. Max load: 100 kg. Upholstery: waterproof sky faux leather. Color: black.

The **executive armchair h449_133** is designed to offer comfort and functionality in professional work environments. Made with **waterproof sky faux leather upholstery**, weighing 425 g/m² and featuring high abrasion resistance, it guarantees **durability and ease of maintenance**. The internal structure is composed of **multilayer beech** in both the seat and the backrest, both padded with **5.5 cm thick T25 foam**, ensuring a comfortable and supportive seat.

The armchair is equipped with a **TÜV certified gas lift** to easily adjust the seat height from 47 to 56 cm. The **tilting mechanism** allows movement with one locking position for greater safety and comfort.

The **base** has a diameter of **62 cm** and is equipped with **50 mm nylon wheels** for smooth and safe mobility. The **included armrests** offer additional comfort, with an **adjustable height** from the ground ranging between 66 and 75 cm. The **fixed backrest**, measuring 54 cm in height and 49 cm in width, correctly supports the back, while the wide seat (50 cm wide and 47 cm deep) ensures optimal ergonomics.

This executive armchair is ideal for offices and meeting rooms, featuring an elegant and functional design in a versatile **black color** that adapts to any environment.

Buy the h449_133 faux leather executive armchair now for maximum comfort and style!

FAQ:

- 1. What is the maximum capacity of the armchair?**
The armchair supports up to 100 kg in weight.
- 2. Is the upholstery wear-resistant?**
Yes, the sky faux leather upholstery is waterproof and abrasion-resistant.
- 3. Is it possible to adjust the seat height?**
Yes, thanks to the gas lift with TÜV certified gas.
- 4. Does the armchair have a tilting mechanism?**
Yes, with one locking position for safety.
- 5. What type of wheels does the armchair have?**
It features nylon wheels with a 50 mm diameter for good mobility.

Mini buying guide:

When choosing an **executive armchair**, evaluate the quality of the **faux leather upholstery**, which must be **waterproof** and **abrasion-resistant** to ensure durability over time. The presence of **comfortable padding** such as T25 foam is essential to support long hours of use. **Height adjustment via gas lift** allows you to adapt the seat to personal needs, while the **tilting mechanism with lock** offers comfort and safety. Do not overlook **mobility**, ensured by robust nylon wheels. Finally, the internal **multilayer beech** structure guarantees solidity and stability over time, making the armchair ideal for professional environments.
