

Executive office chair without armrests h449_142

Executive office chair without armrests, multilayer beech wood structure and sky faux leather upholstery. Max capacity: 130 kg. Total height: 102 - 112 cm.

The **executive office chair without armrests h449_142** is ideal for work environments where a functional and compact seat is required. The **multilayer beech wood** structure provides strength and stability, while the **padded seat and backrest** with **high-density non-deformable foam** ensure comfort and support for prolonged use. The 425 g/m² **water-repellent sky faux leather** upholstery is characterized by high **abrasion resistance** (over 22,000 Martindale cycles) and **rubbing** resistance in both wet and dry conditions, making maintenance easier and ensuring long-term durability.

The chair is equipped with a **gas lift system** for simple seat height adjustment, while the **fixed backrest** offers adequate postural support. The swivel base has a **68 cm diameter** and is fitted with **Ø 50 mm nylon castors** for smooth mobility on any surface. The chair supports a **maximum capacity of 130 kg** and the **absence of armrests** allows for freer and more versatile use.

Choose the h449_142 executive chair without armrests for a comfortable and durable solution in your office!
