

Extension sump pallet with perforated plate h1042_14

Extension sump pallet with perforated plate h1042_14 for 1 IBC, made of high chemical resistance black LLDPE polyethylene. DIBt approved, equipped with PE perforated plate and stable support cross.

The **Extension sump pallet with perforated plate h1042_14** is a containment and safety system designed for the static and safe storage of 1 IBC containing water-hazardous substances. Made of high-quality uncoated black polyethylene (PE / LLDPE), this structure boasts high chemical resistance and holds the general building authority approval **DIBt Z-40.22-564**. It is suitable for indoor setup and ensures compatibility with fluids and substances such as AdBlue®, brine, liquid fertilizer, antifreeze, windshield washer fluid, chemicals, alkaline solutions, acids, and pesticides. The system ensures high structural load capacity thanks to the stable internal PE support cross and comes complete with a perforated plate (grid) also made of PE. The sump features a functional low-maintenance design offering an excellent quality-price ratio; it is forkliftable with a forklift or pallet truck (exclusively for empty transport) and is geometrically nestable for space-saving transport and storage during periods of non-use.

Technical features

- **Storage configuration:** suitable for 1 IBC
- **External dimensions (W x D x H):** 146 x 124 x 48 cm
- **Weight:** 43 kg
- **Sump material:** LLDPE (high-quality polyethylene), uncoated
- **Container color:** black
- **Installation site:** indoor
- **Forkliftable:** yes (with forklift or pallet truck, only for empty transport)
- **Stackable:** yes (nestable for space-saving storage)
- **Internal structure:** stable PE support cross for high load capacity
- **Grid / plate material:** PE (polyethylene)
- **Number of grids:** 1 (perforated plate)
- **Compatible fluids / substances:** AdBlue®, Brine, Liquid fertilizer, Antifreeze, Windshield washer fluid, Chemicals, Alkaline solutions, Acids, Pesticides
- **Approval:** DIBt Z-40.22-564 (general building authority approval)
- **Assembly state:** unassembled
- **Warranty in years:** 1
