

Filing cabinet with shelves and partition W. 180 cm h286_43

Open metal cabinet in sheet steel, 180x45x200 cm, with central partition and 8 adjustable shelves for fast professional filing. The **open metal cabinet** is a technical solution designed specifically for **intensive filing** and the systematic organization of documents in high-activity work contexts. Thanks to its doorless configuration, it allows operators to immediately identify and retrieve folders and files, optimizing document management times. The structure is entirely made of high-thickness **sheet steel**, treated with powder coating and oven baking to ensure superior resistance to mechanical wear and corrosion.

Technical features

- **Dimensions:** W. 180 x D. 45 x H. 200 cm
