

Galvanized steel planter h168113

Urban furniture planter with green galvanized steel structure. Italian product. Dimensions: W.70 x D.45 x h.46 cm.

Public space planter with a simple and fresh design. It easily adapts to any outdoor environment. It is made in Italy with quality raw materials. It is very resistant and is therefore suitable for being placed in outdoor environments, whether public or private.

Its resistance is due to its composition in **galvanized steel**, a type of steel coated with zinc. This coating ensures greater protection from:

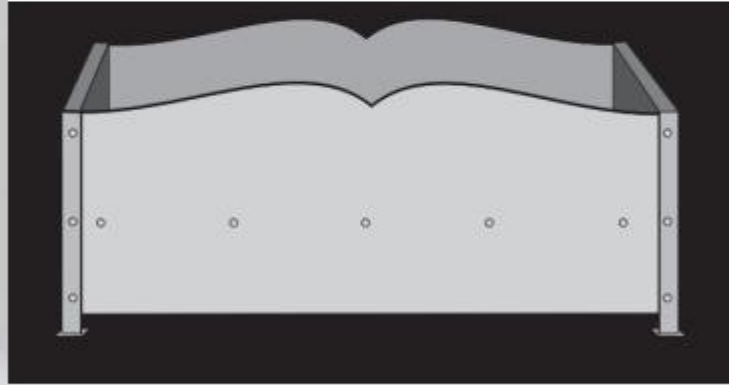

- corrosion
- atmospheric agents
- humidity

Technical features:

- galvanized steel structure
- color: green
- weather resistant
- height 46 cm
- width 70 cm
- depth 45 cm
- **Italian Product**
