

Galvanized steel planter h168114

Urban furniture planter with black galvanized steel structure. Italian product. Dimensions: W.190 x D.45 x h.40 cm.

Urban furniture planter characterized by a **clean**, simple and essential design. It is easily installed in any outdoor environment. It is made entirely in Italy with quality materials. And it is precisely thanks to the use of these materials that the planter is resistant and perfect for outdoor environments, both public and private.

Its resistance is due to its composition in **galvanized steel**, a type of steel coated with zinc. This coating ensures greater protection from:

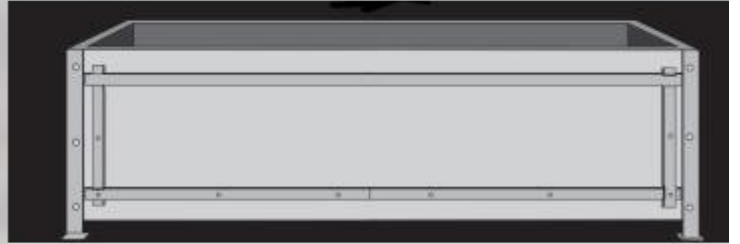

- corrosion
- atmospheric agents
- humidity

Technical features:

- galvanized steel structure
- color: black
- weather resistant
- height 40 cm
- width 190 cm
- depth 45 cm
- **Italian product**
