

## Galvanized steel planter h168115

Urban furniture planter with rectangular galvanized steel structure in green. Made in Italy product. Dimensions: W.160 x D.45 x H.40 cm.

Simple and essential planter produced entirely in Italy with quality materials. Resistant and durable over time, it finds its ideal placement in outdoor environments, both public and private.

Its resistance is due to its composition in **galvanized steel**, a type of steel coated with zinc. This coating ensures greater protection from:

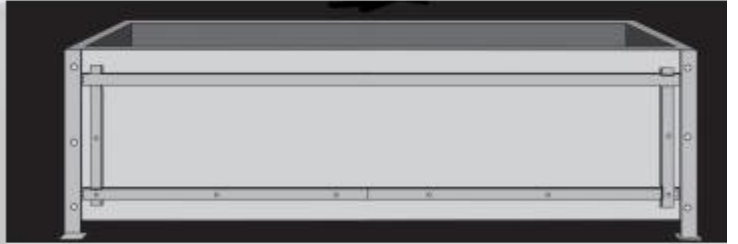

- corrosion
- atmospheric agents
- humidity

### Technical features:

- galvanized steel structure
- color: green
- weather resistant
- height 40 cm
- width 190 cm
- depth 45 cm
- **Italian product**
