

First aid backpack h648_04

Emergency and first aid backpack. Equipped with reflective strips. Dimensions: W43 x D38 x H11 cm.

Emergency backpack, ideal for out-of-hospital rescue operations. Designed to allow **practical and comfortable transport** of the tools necessary to ensure a complete intervention, even in dangerous and non-deferrable situations. **Solid, robust and spacious**, equipped with numerous compartments and modules, some of which are removable. Made of **sturdy and resistant material** and equipped with **reflective strips** to make it clearly visible. Thanks to the **padded backrest and shoulder straps**, it ensures comfortable and effortless transport.

Technical features:
