

## First aid rescue backpack h648\_47

Rescue backpack for first aid operations.

**Emergency backpack** particularly suitable for **outdoor rescue operations** thanks to its **water-repellent and resistant material**, equipped with **reflective strips to make it clearly visible**. Thanks to its 5 modular pockets, each of which can be closed with a transparent lid, the emergency operations backpack is organized in a particularly clear way and offers ample storage space.

### Technical features

- With reflective strips
- Features 5 modular pockets with transparent lids
- Composed of 2 main compartments
- With two separate side compartments
- Dimensions: 46 x 25 x 20 cm (side pockets excluded)
- Available in red or blue
