

First aid stretcher h655_09

Emergency basket stretcher. Capacity: 315 kg. Dimensions: L217.8 x D61.8 x H18.9 cm.

Patient transport stretcher designed to handle the most difficult emergency situations. Thanks to its “basket” and super-lightweight structure, it allows reaching any location with extreme ease and without effort. Made of **high quality ABS** and equipped with an aluminum frame along the entire perimeter with carrying handles. **Resistant to impact, corrosion and extreme temperatures**. Supplied complete with a removable **mattress** and **adjustable footrest**, both fixed with velcro. In addition, a **nylon rope** surrounds the structure to allow the attachment of safety straps (3 straps included).

Technical features:

- Assembled dimensions: L217.8 x D61.8 x H18.9 cm
- Capacity: 315 kg
- Material: ABS and aluminum
- Mattress thickness 40 mm
- Adjustable footrest
- Nylon rope
- 3 safety straps
- Color: orange
