

Five-seater polypropylene bench h15908

Five-seater polypropylene bench for waiting rooms. Metal structure and ultra-resistant seats. Made in Italy. Dimensions: 259x59xH80 cm.

The **five-seater polypropylene bench** is a professional furnishing solution designed for setting up large reception areas, both in public and private sectors. Thanks to the shells made of **polypropylene copolymer**, the product ensures excellent durability and high resistance to the stresses typical of high-traffic areas. The metal load-bearing structure, consisting of a solid black painted beam, solves the need to manage large waiting spaces in an orderly and stable way, guaranteeing comfort to five users simultaneously. The **Made in Italy** construction quality makes it ideal for **post offices, banks, airports, railways, hospitals and clinics**.
