

Upholstered five-seater bench h15921

Upholstered five-seater bench for waiting rooms. Polypropylene shells and fabric seats. Made in Italy. Dimensions: 259x59xH80 cm.

The **upholstered five-seater bench** is a professional furnishing solution with an elegant design, designed to optimize reception in large waiting areas. The structure combines **polypropylene copolymer** shells — a plastic material known for extreme durability and mechanical resistance — with comfortable fabric padding. This configuration solves the operational problem of managing large flows of users, guaranteeing a pleasant waiting experience in institutional contexts such as **hospitals, medical clinics, banks and post offices**. Characterized by a solid metal beam and **Made in Italy** manufacturing, the bench ensures stability and a long service life in intensive-use indoor environments.
