

Floor lamp h6442

Floor Lamp made from crystal polystyrene for indoor and outdoor use. Diameter 40 cm and height 38 cm. Available in other sizes

Original and modern floor lamp by Serralunga made from rotationally-moulded crystal polystyrene. 100% recyclable.

The spherical surface creates a soft, inviting light and, at the same time, a multi-faceted light through the irregular, crystallised surface - able to give great atmosphere to any room.
