

Flower-shaped planter with bench h140_451

Planter with seating for urban furniture. Circular shape. Dimensions: W. 250 x D. 250 x h. 45 cm.

Planter for parks, squares, and public gardens, with a floral design, equipped with seating. Structure composed of 8 modules, consisting of shaped panels made of galvanized sheet metal thickness 30/10, equipped with seating made of Okumè wood profiles. At the base, the modules are equipped with **lower supports to allow rainwater drainage**. The metal structure is subjected to **anti-corrosion treatment** that makes it resistant to corrosion and atmospheric agents. Furthermore, it is **painted with thermosetting powder based on polyester resins in the silver gray color RAL 7001**.

Technical features:

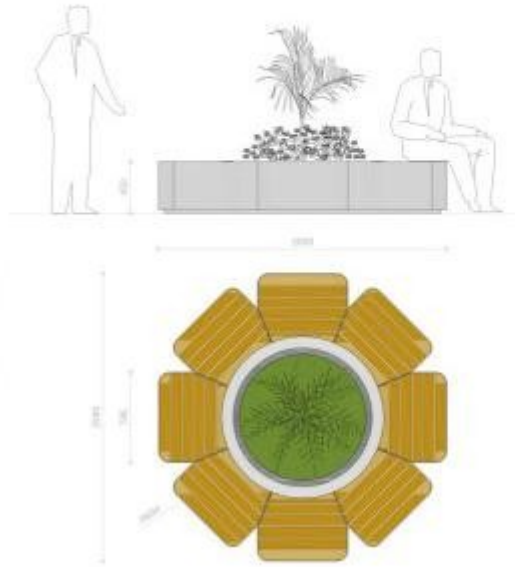

- Shape: circular
- Floral design
- Dimensions: W. 250 x D. 250 x h. 45 cm
- Number of modules: 8
- Modules composed of shaped panels in galvanized sheet metal thickness 30/10 painted with thermosetting powder based on polyester resins
- Painting color: silver gray RAL 7001
- The modules are equipped with seating made of Okumè wood profiles
- Module base with lower supports
- Certifications: UNI EN ISO 9001:2008; UNI EN ISO 3834-4:2006
