

Foam and faux leather mat h. 3 cm h731_72

Professional gym mat in 21 kg/m³ foam, 200x140x3 cm. Removable fireproof blue faux leather cover for medical and sports use. The **foam mat** is a professional solution designed specifically for **gymnastic, rehabilitative and medico-postural exercises**. The internal structure is composed of **graduated density foam (21 kg/m³)**, calibrated to ensure stable support and adequate load absorption during floor activities. The **woven faux leather** covering not only gives the product high wear resistance, but also ensures compliance with safety standards thanks to its **fireproof** properties.

Technical features

- **Dimensions:** 200 x 140 x 3 cm
- **Inner core:** Graduated density foam (21 kg/m³)
- **Covering:** Blue woven faux leather, resistant and fireproof
- **Configuration:** Lateral padding with anti-trauma rounded edges
- **Hygiene:** Completely removable and washable

Optional: Upon request and subject to quotation, it is possible to customize the mat with different colors.
