

Folding breakfast trolley h2265

Round breakfast trolley with folding black MDF top. Stainless steel structure with swivel castors. Brushed finish. Made in Italy.

Service trolley for breakfast particularly suitable for hotels, resorts and bed & breakfasts.

Supporting structure in **stainless steel** complete with round top in black paste protected by water-repellent transparent coating with **folding side wings**.

The breakfast trolley is equipped with swivel castors to facilitate movement and the top is **90° foldable** to reduce overall dimensions and allow stackability.

The breakfast trolley h2265 is available in the following sizes:

- Ø 80 x h.78 cm
- Ø 90 x h.78 cm
- Ø 100 x h.78 cm

Technical features:

- Stainless steel structure
- Finish: brushed
- Round MDF top protected by water repellent
- Color: black
- Stackable and foldable
- 4 swivel castors with Ø 9.5 cm (two of which with brake)
- Made in Italy
