

Folding funeral cart h687_96

Folding aluminum funeral cart, 300 kg capacity. Made in Italy, lightweight and silent. Available in silver or bronze. Open dimensions: 108 x 48 x 55 cm.

The **folding funeral cart h687_96** represents a professional solution of excellence for the **HoReCa and funeral services** sector, designed to ensure maximum decorum and functionality. Made entirely of **aluminum** with **Made in Italy** technology and design, this support solves the problem of handling heavy loads in contexts requiring extreme discretion. Despite its ultra-light and manageable structure, the cart boasts a **load capacity of 300 kg**, ensuring stability and durability over time. The compact closing system allows the footprint to be reduced to just 13 cm in depth, facilitating storage in service vehicles and optimizing the operational times of sector operators.
