

## Folding ironing board with steam iron h16434

Professional ironing board with 1200W steam iron and wardrobe hook. Black steel structure adjustable in 7 positions and Auto-Off safety.

The **professional hotel ironing board** represents a complete solution with an essential design, conceived to guarantee guests an impeccable ironing service directly in their room. The structure stands out for its **lightweight steel frame**, with legs and components black powder-coated to ensure superior resistance to scratches and wear over time. Thanks to the **two quick-release lever** system and the easy opening mechanism, the station can be set up in just a few moments with minimal effort.

Safety and practicality are the pillars of this model: the **1200W steam iron included** is equipped with **Auto-Off** technology, which cuts off the power supply after 30 seconds of inactivity horizontally or 8 minutes vertically. Stability is guaranteed by the **multi-surface rubber feet**, which adapt to every type of hotel flooring (carpet, marble or parquet). After use, the **integrated hook** allows the board to be stored in a hanging position inside the wardrobe, optimizing the room's floor space.

## Technical features

- **Structure:** Lightweight black powder-coated steel frame
- **Height adjustment:** 7 variable positions (from 590 mm to 840 mm)
- **Mechanism:** Double quick-release lever for easy opening/closing
