

Folding steel multi-purpose trolley h122_78

Folding steel sack truck (W42xD44xH100 cm), 70kg capacity, with telescopic handle and solid wheels for maximum compactness and transport.

The **folding multi-purpose trolley** represents a professional and versatile solution for the manual handling of light loads in logistics, commercial, or private contexts. The **steel** structure ensures the necessary mechanical strength, while the **folding toe plate** system and the **telescopic handle** allow for a drastic reduction in the device's footprint when not in use, facilitating transport in vehicles or storage in small spaces.

Technical features

- **Material:** High-resistance steel
- **Dimensions (open):** W 42 cm x D 44 cm x H 100 cm
- **Load capacity:** Maximum 70 kg
- **Closing system:** Folding toe plate and retractable telescopic handle
- **Wheels:** Puncture-proof solid wheels for smooth surfaces
- **Accessories included:** Solid elastic cord for load securing
- **Packaging:** Shrink-wrapped with illustrative display card
