

Folding wall-mounted changing table h43833

Vertical folding wall-mounted changing table. Made of polypropylene. Dimensions of the open changing table: 870x480x125 mm.

The **h43833 wall-mounted changing table** is the ideal vertical solution for optimizing space in the restrooms of public facilities and commercial premises. Thanks to its **folding design**, this changing table allows for the setup of a functional nursery area even in small environments, ensuring maximum comfort for parents for diaper changes. Made of **high-quality polyethylene**, the product boasts **antibacterial and stain-resistant** properties, essential for maintaining high hygiene standards in high-traffic contexts. The structure is completed by an adjustable safety belt that ensures the correct retention of the child, offering a safe and practical user experience.

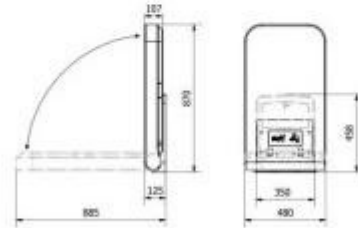

Technical features

- **Material:** Polyethylene (antibacterial and stain-resistant)
- **Configuration:** Vertical wall-mounted, folding
- **Target:** Ideal for babies up to 12 months of age
- **Maximum load:** Approximately 11 kg
- **Safety:** Integrated and adjustable safety belt
- **Item weight:** Approximately 15 kg
- **Dimensions open:** 885 (H) x 480 (W) x 125 (D) mm
- **Dimensions folded:** 870 (H) x 480 (W) x 125 (D) mm
- **Installation:** Lightweight structure designed for simplified wall mounting
