

## Folding wooden luggage rack h464\_187

Folding natural wood luggage rack. Elegant design with curved crossed legs and sturdy straps for luggage support in the room.

The **h464\_187 wooden luggage rack** is an elegantly designed piece of furniture to enrich hotel rooms, B&Bs, and accommodation facilities with a touch of natural warmth. Characterized by a **wood structure with a natural finish**, this support combines aesthetics and functionality thanks to its distinctive curved and crossed legs. The integrated **heavy-duty transport straps** offer secure and stable support for suitcases and luggage of various sizes, solving the operational problem of luggage management without straining the room's furniture. Thanks to the folding system, the product takes up very little space when not in use, making it a practical and versatile solution that fits pleasingly into various furnishing styles, from rustic to modern.
