

Four-leaf clover soft sofa for nursery school h681_57

Soft four-leaf clover sofa, ideal for nursery schools. Dimensions: 160 x 160 x h 30 cm. Fire-retardant, stain-resistant, and antibacterial coating.

The **h681_57 soft four-leaf clover sofa** has been designed to promote play and relaxation for children in nursery schools, combining comfort and safety. The internal padding is made of **open-cell polyurethane foam** with a density of 25 kg/m³, ensuring a soft and resistant seat. The external coating in **phthalate-free eco-leather** (88% PVC, 12% PES) is **fire-retardant** in class 1IM and treated to be **stain-resistant, antibacterial, and antifungal**. The color combo **light blue/aquamarine/meadow green** makes the sofa an eye-catching element, perfect for spaces dedicated to little ones.

The sofa has a **removable cover**, thanks to the hidden zipper protected by a concealed pocket, which allows for easy maintenance without compromising aesthetics. The quality of the finishes is reflected in the **2 internal seams** and the **single visible topstitching**, which elegantly defines the model's shape.

With a total size of **160 x 160 x h 30 cm**, this sofa represents a perfect addition to the nursery school, offering children a safe and pleasant environment for play, relaxation, and socialization.

Bring a touch of comfort and safety to your school with the **h681_57 soft four-leaf clover sofa**! **Order now** and transform children's spaces into a welcoming, safe, and stimulating environment.

FAQ:

1. What are the product's safety features?

The sofa is made with a class 1IM fire-retardant coating and treated to be stain-resistant, antibacterial, and antifungal, ensuring maximum safety for children.

2. Is this sofa suitable for very young children?

The sofa is specifically designed for nursery schools, with soft and safe materials for children aged between 3 and 6 years.

3. Does the removable cover affect the product's aesthetics?

No, the zipper is hidden by a concealed pocket that protects the slider and keeps the design clean and uniform.

4. What treatments does the coating have?

The coating is stain-resistant, antibacterial, and antifungal, ensuring optimal hygiene even in high-traffic environments.

5. Can it be used in recreational spaces other than school?

Yes, the sofa is also ideal for playrooms, play areas, and any space dedicated to children.

Short buying guide:

Buying the **h681_57 soft four-leaf clover sofa** means choosing a versatile and safe product, perfect for the needs of nursery schools. Thanks to its **soft structure** and **fire-retardant coating**, the sofa offers a welcoming and protected environment for children. The combination of **stain-resistant treatments** and the possibility of removing the cover makes maintenance simple and fast. The **vibrant colors** and **four-leaf clover design** stimulate the imagination of little ones, transforming every space into a place for play and relaxation.
