Galvanized sheet metal ashtray h140238

Outdoor ashtray with wall or existing pole mounting. **Stainless steel** cigarette snuffer. Available in **various finishes**. Dimensions: **W.12.5xD.11xH.25 cm**.

Durable and easy-to-clean **outdoor ashtray**; ideal for placement near gyms, swimming pools, cinemas, theaters, exhibitions, museums, and shopping centers.

Robust structure made of a rear galvanized sheet metal casing, shaped container with rounded edges at the front, and a **micro-perforated plate** for extinguishing cigarettes made of polished AISI 304 stainless steel. The bottom is made of galvanized steel sheet with **holes for rainwater drainage**. Emptying operations are facilitated by **releasing the specific Allen screw** and extraction. The painting technique used is **thermosetting powder coating** with oven baking, providing greater longevity to the product by applying a paint layer of 60 microns.

The **outdoor ashtray h140238** is available in the following variants:

- **With existing pole mounting** - structure equipped with holes for pole fixing using the screws provided
- **With wall mounting** - structure equipped with holes for wall fixing using screws and expansion plugs
