

Galvanized steel bike rack h140_375

Refined design galvanized steel bike rack with 5 spaces. Dimensions: W.170 cm x D.15 cm x H.35 cm.

The bike rack for urban furniture is ideal both for furnishing public spaces and for creating convenient bike parking in **residential and condominium areas**. The product features a structure composed of a **shaped support with rounded edges in galvanized sheet metal**. The side part is characterized by **stylized decorative cutouts**, while at the base there is a support provided with holes for **ground fixing**. The finish for the metal parts of this product consists of two colors, specifically: "pure matt white RAL 9010" **for the support** and "yellow orange matt RAL 2000" color for the **upper trapezoidal decoration**. The bike rack for public spaces is intended for housing **5 bicycles**.

Technical features:

- Material: galvanized steel
- Side decorative cutouts
- Upper trapezoidal decoration
- Holes at the base for ground fixing
- Dimensions: W.170 x D.15 x H.35 cm
- Number of spaces: 5
