GN 2/1 tray trolley for restaurants h464_49

Professional stainless steel tray trolley for 15 GN 2/1 trays (68x58x171 cm). Equipped with bumpers, 8 cm spacing and braking wheels.

The **professional GN 2/1 tray trolley** is a high-quality piece of equipment designed to meet the needs of organization and logistics in large kitchens, bakeries, canteens and catering services. Made entirely of **stainless steel**, this model offers a solid and durable structure, ideal for intensive and daily use. Thanks to its **15 guides**, it allows you to neatly stack and store Gastronorm 2/1 trays and containers, optimizing vertical space within laboratories. Movement is made smooth and safe by four professional wheels, integrated with **corner bumpers** that protect the structure and furniture from accidental impacts during movement.
