

Gulp bench for children h140_530

Children's bench with comic strip graphics "Gulp!". Dimensions: W. 80 x D. 30 x h. 30 cm. In matt sky blue galvanized steel RAL 5012.

The **h140_530 bench with "GULP!" graphics** is urban furniture designed to stimulate fun and creativity for children in parks and play areas.

Made with a 2 mm thick **galvanized steel sheet** box, precisely shaped, it offers strength and resistance. The structure features a **base frame** designed for ground fixing, ensuring stability and safety. A vibrant **graphic with the word "GULP!"** is applied on a **single side**, giving it a playful and original touch.

The **thermosetting powder coating** with oven curing ensures bright, long-lasting colors that are resistant to atmospheric agents. The **dynamic shape** and **pop style** make this bench a unique design element, perfect for enriching public spaces with liveliness and functionality.

Bring color and fun to your public spaces with the Gulp bench for children h140_530. **Contact us for more information and to order it now.**

FAQ:

1. **What is the main material of the bench?**
The structure is in galvanized steel sheet with a thermosetting powder finish.
2. **How many people can it accommodate?**
It can comfortably accommodate 2 children.
3. **Can the bench be used outdoors?**
Yes, it is designed to withstand atmospheric agents and intensive outdoor use.
4. **How is it fixed to the ground?**
It is designed for ground fixing with anchor bolts and expansion plugs (not included).

5. Is the graphic on both sides?

No, the “GULP!” lettering is only present on one side of the bench.

Mini buying guide:

Choose a **galvanized steel** bench if you want robust and resistant urban furniture for children. The **comic strip** inspired graphics stimulate imagination and play, while the **thermosetting powder** coating ensures long-lasting durability even outdoors. Prefer models designed for **ground fixing** to ensure stability and safety. Ideal for parks, schools, and play areas.

Children's bench, colorful urban furniture, comic strip graphic bench, galvanized steel, outdoor children's bench, playground furniture.
