

Toilet seat with soft close h10701

Toilet seat cover with soft close, a special system that does not slam the tablet when it closes.

Toilet seat cover with soft close, a special system that does not slam the tablet when it closes. The seat is made of MDF, panels obtained by pressing of a mattress of wood fibers which make it homogeneous throughout its thickness, have a smooth surface and little porous and are perfect for all types of lacquer. The toilet seat in fact has an epoxy lacquer which provides high resistance to wear and chemical agents.

Easy mounting, also suitable for beginners and fasteners included.
