

## Broom cupboard with 1 door in galvanized plasticised h11109

Broom closet with a door in galvanized plasticised sheet metal, sturdy and durable

Broom closet with a door constructed in sheet galvanized plasticised, strong, solid and durable. The broom closet h11109 has an internal divider with three adjustable shelves storage.

The closure with key lock ensures greater security when the cabinet is installed outside, or as added security when there are children. The feet are also adjustable.

This product is ideal for use outdoors or in damp places such as balconies, terraces, cellars, or rooms for storing materials and cleaning products in the home, office and workplace. In this cabinet you can also store brooms, floor polishers and cleaners.

The galvanized plasticised sheet metal provides exceptional resistance to weathering and moisture in general than conventional cabinets painted sheet metal.
