

Professional hair dryer to the steel pipe h1208

Hair dryer with extendable hose especially robust and ideal for convenient hair drying. Available in 4 colors.

Particularly robust, improves the comfort of dry, allowing to direct the airflow where desired. Famous for its performance, durability, security and robustness vandalism is particularly appreciated by the operators of washroom environments that wish to provide a safe and quality with maximum efficiency and minimum maintenance.

Available in 4 finishes:

- neutral white porcelain steel finish
- finish stainless steel AISI 304 Polished
- porcelain steel charcoal finish
- finished in satin stainless steel AISI 304

Data Sheet

- Operation: Button
- Cover material: carbon steel, porcelain
- Close lid: stainless steel rods
- Material support basic aluminum
- Supply voltage: 110/130 V - 220/240 V
- Frequency: 50/60 Hz
- Absorption motor / n revolutions: 250W / 7800 rpm
- Absorption Resistance: 750W
- Overall consumption: 1000W
- Air velocity at nozzle outlet: 85 Km / h
- Air volume at nozzle outlet: 71.66 L / s
- Ingress protection: IP21
- Electrical protection: class II
- Noise level 63.9 dBA certified to 3 m
- size HxWxD: 580x297x235 mm

INFORMATION

- **Potenza in watt** 250.0000
- **Altezza in millimetri** 580.0000
- **Profondità in millimetri** 235.0000
- **Punti di forza** I più efficienti
