

Padded seat in U form with backrest and armrests h13610

Padded seat in U form with backrest and armrests in molded plastic. Removable pads made of expanded polyurethane foam for maximum comfort.

Padded grey seat in U form with backrest and armrests.

The seat is made of molded plastic with drainage holes to reduce the stagnation of water and to facilitate cleaning. The pads are made of expanded polyurethane foam with closed cells to ensure maximum comfort. Moreover, the padding is removable for an easy cleaning.

The legs are covered with a rubber stopper to prevent slipping and accidental damage to the surface of the shower area.

Two stainless steel mounting brackets with four mounting holes allow for optimal adhesion to the wall.

The legs of the seat are adjustable depending on the users needs. Furthermore it is possible to adjust the angle of the tilting arm.

Technical features:

- Total height: 106 cm
- Seat height: 64 cm
- Overall width: 56 cm
- Seat width: 45.8 cm
- Total depth: 57.6 cm
- Seat depth: 46 cm
- Depth of seat folded: 25.5 cm
- Maximum load: 253 kg

Tested to verify that the seat fulfills the requirements of BS EN 12182: 1999 and BS EN 12272:2000 16.2 "Technical aids for disabled persons-general characteristics and test methods".
