

## Lamppost Outdoor wrought iron h16869

Lamppost Outdoor wrought iron treated in the galvanizing bath

Outdoor lamp post made of wrought iron and treated in the galvanizing bath. Galvanizing is the process by which a zinc coating is applied on a metallic product to protect it from corrosion. The pole is made of galvanized steel. The diffuser is made of aluminum and transparent polycarbonate, a material highly resistant at weather and impact.

The type of connection for the bulb is E27 bulb, screw diameter of 27 mm.

The lamp has a degree of protection IP44. IP is a code that summarizes the level of protection of electrical equipment against accidental or intentional contact with the human body or with an object, and protection against water and weather, so important especially when you have to build a plant outdoors. It is important that the entire apparatus electrical / optical of our product is adequately protected from the elements (dust, flies, rain, humidity, etc.) in order to maintain the operation in time. At the end of the fixed IP followed by two digits, the first digit indicates the protection against access of solid bodies, the value of 4 indicates that the equipment is protected against solid bodies larger than 1 mm. The second digit indicates the protection against access of liquids. The value 4 indicates that the device is protected from splashes.

The lamp is Class 1 insulation, the insulation class is a value that indicates the degree of protection from the risk of electric shock due to a fault. Appliances with protection class 1 are those in which in addition to basic insulation is a further protection from the connection, with the classic yellow-green cable with the grounding system of the electrical installation of the building.

The height of the lamp can be of 240 cm or 305 cm.

Features:

- height 240 cm
- lamp width 49 cm
- Class 1
- type of E27
- degree of protection IP44
- voltage 230v 50hz
- diffuser diameter 25 cm

## INFORMATION

- **Height 240 cm**

- **Width** 49 cm
- **Material** wrought iron
