

Ladies jacket lined profiled in polyester H6573

Woman jacket in polyester available in several colors and in sizes from XS to XXL

Made in Italy

Jacket for women is perfect for the hospitality industry and contract, classic and nice. Thanks to the young and elegant lines by the shape of the structure while the central locking and fabric covered buttons are those small details that make the difference.

The finish and materials ensure a tight unchanged for many washes. The polyester does not crease and maintains the fold.
