

Padded bean bag h08402

Design armchair with soft lines made of stretch fabric and padded with polystyrene beads. Ideal for indoor and outdoor use and available in more colors.

The armchair h08402 combines the concept of deformability and the design of soft and precise lines as to get a furnishing element extremely comfortable and versatile. The filling with polystyrene pearls together with the skin in stretch fabric are presenting the chair under an attractive light and clearly shaped also allowing the seat a comfortable seating with a sense of overwhelming winding up.
