

HACCP pedal bin h20_107

Mobile 70-liter pedal container in painted metal, HACCP compliant, with removable front and rubber wheels for fast food and catering.

Mobile pedal container intended for fast food, restaurants, pizzerias, and catering services, designed in compliance with **HACCP** regulations to ensure correct hygienic practices in waste management. The structure is made of **epoxy powder-coated metal**, offered in white, and features a **removable front** that facilitates bag replacement operations. The wide pedal allows the lid to be opened without manual contact, a fundamental principle of the HACCP methodology. Equipped with **rubber wheels** for easy mobility even on surfaces requiring frequent cleaning, and a bag-holding elastic to ensure correct positioning and hold of the internal liner.

Technical features

- Structure and lid in epoxy powder-coated metal
- Color: white
- Removable front to facilitate bag replacement
- Wide pedal for use compliant with the HACCP method
- Bag-holding elastic
- Rubber wheels for easy movement
- Capacity: 70 liters
- Dimensions: W. 480 × D. 420 × h. 755 mm
- Weight: approx. 10 kg
