

Half-moon school desk 4.0 h 76 cm h908_126

Modular half-moon desk Ø90 cm for high schools. Top in CAM certified recycled wood and Ø40 mm steel frame for 4.0 classrooms.

The **h908_126 modular half-moon desk** represents an advanced furnishing solution for **modern school classrooms**, designed to overcome the rigidity of traditional layouts. Its half-moon geometry is specifically studied to foster **collaborative learning**, allowing for rapid reconfiguration of the teaching environment into dynamic, circular, or island arrangements, responding to the needs of **School 4.0 projects**.

The construction is distinguished by its high ecological profile, using a **top made of 100% ecological recycled wood panel** fully compliant with **CAM requirements** (Minimum Environmental Criteria). Structural stability is guaranteed by a frame with legs in **Ø 40 mm steel tube**, sized to withstand the mechanical stresses typical of intensive school environments.
