

Hand gel dispenser with paper towels and gloves h185_43

Triple AISI 304 stainless steel dispenser for 1L gel, towels, and gloves. Wall-mounted design with elbow lever for maximum hygiene in healthcare settings.

The **professional triplex dispenser** represents an integrated hygiene station designed to optimize microbiological safety protocols in clinical and hospital contexts. Made entirely of **AISI 304 stainless steel** with a polished finish, the system centralizes in a single compact module the dispensing of 1-liter sanitizing gel, the distribution of paper towels, and the housing for disposable glove boxes. The **elbow lever** allows for detergent dispensing without manual contact, drastically reducing the risk of cross-contamination.

Technical features

- **Dimensions:** W. 340 x D. 220 (including lever) x h. 250 mm
- **Material:** AISI 304 stainless steel (UNI X5 CRNI 1810)
- **Finish:** Mirror polished surface
- **Configuration:** Gel compartment (1 liter), towel compartment, disposable glove compartment
- **Operation:** Manual via clinical elbow lever
- **Security:** Safety closure with key lock
- **Installation:** Wall mounting with included mounting kit
- **Production:** Made in Italy
