

Hand wash cabinet for professional kitchens h099902

Hand wash basin on cabinet with hinged door. Structure in **stainless steel**. Tap with **mixer** hot/cold water. Dimensions: **mm 500x500x850h**

The **hand wash basin** is a useful and functional piece of equipment for all professional kitchens.

Thanks to the **cabinet structure** with **hinged opening door**, this hand wash basin allows you to store detergents and cleaning products for hygiene and cleanliness inside the shelf.

To ensure the safety and hygiene required in professional environments such as restaurants, pizzerias, bakeries, pastry shops, etc... this product is made in **stainless steel**.

The tap is equipped with a practical **mixer** for hot and cold water regulation.
