

Hand wash basin with double button for hot and cold water h509_09

Hand wash basin column with **double button** for hot and cold water. Dimensions: **W. 450 X D. 450 X H. 850 mm.**

Professional hand wash basin for kitchens of bars, restaurants or any place where a hand-washing station is needed, including hospital environments. The product is made of **stainless steel**. The front **panel** is easy to remove. It features a double **button** for hot/cold water via convenient foot operation which also guarantees maximum **hygiene**. For care and **maintenance**, it is recommended to use only **neutral detergents** and avoid the use of abrasive sponges, blades or sharp and cutting objects. Rinse with plenty of water after each cleaning to keep the **product always shiny**.

Technical features:
