

Hotel garment and luggage trolley h2234

Stainless steel garment and luggage trolley with swivel wheels and bumpers. Dimensions 115x58xH156 cm. Ideal for hotel portorage.

The **luggage and garment transport trolley** is a professional solution designed to optimize portorage operations within **hotels and accommodation facilities**. Made with a sturdy **stainless steel tube** structure and a base in **AISI 304 stainless steel sheet**, this tool solves the problem of simultaneously moving suitcases and hanging garments, reducing transfer times between the lobby and the rooms. Thanks to the **push handles** and swivel wheels, staff can maneuver bulky loads with agility, while ensuring maximum protection of the environments thanks to the **grey rubber bumper rings** positioned at the corners.
