

HDPE pallet box with 2 runners h836_24

Industrial black HDPE pallet box, 525 liters, 1160x800x800 mm. Solid wall structure with 2 runners for maximum stability and protection.

The **industrial pallet box** is designed to optimize logistics, storage, and handling operations in intensive professional contexts. Made of black **HDPE (High Density Polyethylene)**, this container offers a robust and impact-resistant structure, ensuring a long operating life even in demanding production environments. The configuration with **solid walls** ensures total containment of the goods, protecting the contents from external agents and dust.

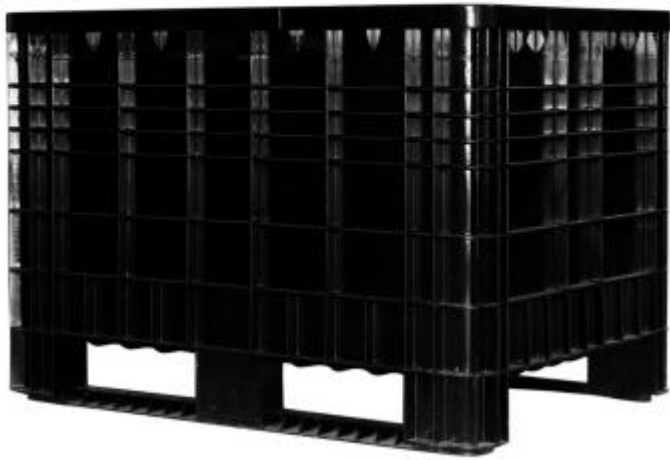

Technical features

- **External dimensions:** 1160 x 800 x 800 mm
- **Internal dimensions:** 1110 x 730 x 650 mm
- **Volumetric capacity:** 525 liters
- **Material:** HDPE (High Density Polyethylene)
- **Structure:** Solid walls and bottom
- **Base:** no. 2 reinforcement runners
- **Color:** Black
