

Hexagonal table for nurseries h681_30

Hexagonal table for 0-3 year nurseries in FSC beech wood and HPL (130x130x42cm). Tear-proof structure designed for socialization.

The **hexagonal table h681_30** is a professional furnishing solution specifically for the **0-3 years** age group, ideal for nurseries and kindergartens. The hexagonal geometry is designed to optimize children's arrangement during group activities, facilitating eye contact and cooperation. The design eliminates the underlying frames to respect the **anthropometric volumes** of small users, ensuring maximum freedom of movement and postural comfort.

Technical features

- **Dimensions:** W 130 x D 130 x h 42 cm.
- **Worktop:** Birch plywood class E1 (thickness 21 mm) with **HPL laminate** coating (9/10 mm) magnolia finish.
- **Fire resistance:** Fire-retardant surface in **Class 1** reaction to fire.
- **Supporting structure:** 4 legs in **solid FSC beech wood** with circular section (diameter 60 mm).
- **Fixing system:** Joint with threaded pin and recessed bush in patented tear-proof plate.
- **Safety:** Full-radius rounded edges treated with **non-toxic water-based** transparent paints.
- **Base:** Adjustable noise-reducing tips in high-resistance plastic material.
