

High restaurant dining room cabinet, 2 drawers and hopper - h09167

High service cabinet for restaurant dining rooms in melamine wood. Dimensions 95x49x144h cm, with 2 drawers, door, waste hopper and 2 open shelves. Carbon or Walnut finishes.

The **high service cabinet for restaurant dining rooms** is the ideal technical furniture accessory to optimize organization in restaurants, pizzerias and pubs. Thanks to its vertical multi-functional structure, it allows all dining room operations to be centralized in a single point: it features **2 drawers** for cutlery, a compartment with an **opening door** for plates and an **integrated hopper** specifically for waste or dirty linen collection. The upper part is enhanced by **two resistant open shelves**, perfect for keeping glasses, bottles or sauces in view. Made of melamine wood with edges protected by rubber profiles, this cabinet guarantees impact resistance and maximum ease of cleaning, integrating elegantly thanks to the Carbon and Walnut finishes.
