

High service unit with 3 wall units h09_204

High service unit for restaurant dining room with three compartments (137x48x153h cm). Melamine structure with 3 upper wall units, 3 cutlery drawers, 2 doors and wheels. Available in Walnut, Carbon and Ash.

The **high service unit for restaurant dining rooms** is an extra-large workstation designed to handle large volumes of covers with maximum efficiency. Made of high-quality **melamine-faced wood**, it integrates a robust **plastic-coated steel** frame that supports **3 upper wall units**, ideal for keeping glasses, menus or accessories visible and ready for use. The base of the unit is extremely spacious and organized: it has **3 cutlery drawers** (2 of which with internal dividers), **2 large doors** and an additional internal compartment. Despite its significant size, the multi-directional wheels guarantee smooth mobility, allowing for optimized workflows and keeping the room always tidy.
